The performance figures of the model portfolios shown in this document are based upon data sourced from Morningstar Direct.

Graph represents a hypothetical investment of €100,000.

Performance figures shown are net and include the reinvestment of dividends and any capital gains. Performance does not reflect the cash allocation across the portfolios or expenses associated with the management of an actual portfolio. Performance figures do not include any Platform or Advisor specific charges. The effect of these charges would be to reduce the performance levels shown. Please refer to the Key Features Document, relevant KIIDs & Rate Card for more information on charges.

**Warning:** Past performance is not a reliable guide to future performance. The value of your investment may go down as well as up. You may get back less than you invest. Funds may be affected by changes in currency exchange rates. If you invest in this product you may lose some or all of the money you invest. These figures are estimates only. They are not a reliable guide to the future performance of your investment.
